

# IEMA Environmental Sustainability Skills for Managers

## Study Time

This course has 14 hours of study time required.

## Course Access

You have access to this course for 6 months from the date of purchase.

## Supervisors

## Who it's for

This course is for workers in any job role across all sectors.

## Overview

This course is intended to support the management team, including business leaders, managers and supervisors to understand key planning and working implications of environmental sustainability, allowing them to make operational improvements within their organisation.

This two-day course enables you to quickly upskill your team, including those with operational responsibilities, and provides individuals with the tools and resources to support their impact on environmental sustainability.

## What can I do?

Completion of the IEMA Environmental Sustainability Skills for Managers equips you with strategic environmental knowledge. This qualification empowers you to lead and drive sustainability initiatives within your organisation, influencing policy, reducing environmental risks, and ensuring businesses operate ethically and responsibly, ultimately contributing to a greener and more sustainable future.
