HSE Managers

Who it's for

This diploma is for individuals with a desire to progress their career in Occupational Health & Safety within the UK.

Overview

The NEBOSH National Diploma provides the knowledge and understanding that underpins competent performance as an Occupational Health and Safety Practitioner (OHASP).

This core knowledge is transferable between the different occupational sectors in which OHASPs may work across industry, commerce, and the public sector.

Upon successful completion, Diploma holders will have the necessary skills to perform and excel within any safety focused job role.

What can I do?

Completing the NEBOSH National Diploma elevates you to the highest level of health and safety expertise. It enables you to lead strategic safety initiatives, influence policies, and manage risks effectively in complex work environments.

This diploma opens doors to top-tier career opportunities, shaping industries' safety standards and safeguarding lives.

*NEBOSH recommends that learners taking this certificate level qualification be at an IELTS level 7 or above.

This diploma has 1064 hours of study time required.

Course Access

You have access to this diploma for 24 months from the date of purchase.

HSE Managers

Who it's for

This diploma is for those responsible for developing Health and Safety procedures within their workplace.

Overview

The aim of this course is to provide holistic training, imparting a deep understanding of occupational health and safety management in a practical way.

An ideal qualification for those looking to balance Diploma level studies with a demanding existing role.

What can I do?

Completing the NVQ Level 6 Diploma in Occupational Health and Safety equips individuals with advanced expertise in managing workplace safety. This qualification opens doors to roles such as senior safety consultants, safety managers, and compliance officers.

Graduates are empowered to create safer, healthier work environments and enhance organisational well-being.

NVQ level 7 Diploma in strategic health and safety leadership and management

Study Time

This diploma has 500 hours of study time required.

Course Access

You have access to this diploma for 24 months from the date of purchase.

HSE Managers

Who it's for

This diploma is for those in senior management who are involved in the occupational health and safety strategic planning.

Overview

The aim of this NVQ Level 7 diploma is to provide senior management employees involved in the strategic management of the organisation the skills and confidence to make those decisions that effect change in the business.

This diploma is a high-level, globally recognised qualification which is completely evaluated by each candidates' competency. Evidence of competency is based on real world, on-the-job activities within your current role, this means that you can use previously created documentation as part of your portfolio.

What can I do?

Achieving the NVQ Level 7 Diploma in Strategic Health and Safety Leadership and Management signifies mastery in overseeing health and safety at an organisational level.

Graduates are primed for executive roles like Chief Safety Officers, capable of devising and implementing comprehensive safety strategies to safeguard both employees and the business's long-term success.

7 Employee Benefits of SHEilds eLearning qualifications

Being able to show that you are competent in your work and able to demonstrate the knowledge and skill required to perform at the recognised occupational standard.

Further your professional development and increase your career prospects by developing transferable skills recognised and valued by employers universally.

Improve your job satisfaction, confidence, and drive to succeed in your occupation.

A flexible way of gaining a recognised and respected qualification, with no requirement to have already completed other formal qualifications.

Recognised route to professional memberships with globally recognised professional institutes.

Examinations are available globally. SHEilds students are not fixed to a specific exam date, exam dates can be selected when a student feels confident.

Globally recognised qualifications can give you an advantage in the workplace for promotion and job security.

8 Employer Benefits of SHEilds eLearning qualifications

Value for money - course access is unlimited during the study period, allowing students to study 24 hours a day 7 days a week.

The course is accessible from any PC with internet access allowing study in the workplace or from home, minimising disruption, and downtime to business.

Increased staff productivity, efficiency, and performance.

Increased motivation and job satisfaction for employees.

Students can start the qualification at their capability level, and no prior qualifications are required.

Ensuring staff are working to up-to-date standards and best practices within their field enables employees to gain well recognised and respected qualifications.

Demonstrates a commitment to quality and continuous improvement.

When employees have globally recognised qualifications, this can help when tendering for contracts with some organisations and towards quality standards.

Specialising

Expand your knowledge building on more general qualifications. Ideal for people who are diversifying into a specific industry or subject.
