# ISEP

 ISEP Environmental Sustainability Skills for the Workforce

 ISEP Environmental Sustainability Skills for the Managers

# **ISEP QUALIFICATIONS**

# ISEP SUSTAINABILITY SKILLS FOR THE WORKFORCE

In the age of environmental sustainability, preservation efforts have become a critical concern for businesses across all industries. By obtaining the ISEP Environmental Sustainability skills for the workforce, you will **gain a better understanding of environmental challenges**, strategies to reduce carbon footprint and resource management.

This course has 7 hours of study time required.

This course is typically completed within 2-3 days.

You have access to this course for 6 months from the date of enrolment.

This course is for workers in any job role across all sectors and industry.

Upon completion of the ISEP Environmental Sustainability Skills for the Workforce qualification, **you will gain a deep understanding of environmental principles and practices.**

This aids you in actively contributing to sustainability initiatives within your organisation, promoting eco-conscious decision-making, reducing environmental impacts, and supporting a greener, more responsible future in the workplace.

Qualification

This course provides a practical introduction to environmental sustainability, and **gives you and your team the tools to make a measurable difference.**

This entry level specialist qualification introduces you to a range of new concepts for environmental sustainability measures, to help your workplace to become more eco-friendly.

# ISEP SUSTAINABILITY SKILLS FOR MANAGERS

Completing the ISEP Sustainability Skills for Managers qualification equips you with strategic environmental knowledge. This qualification **empowers you to lead and drive sustainability initiatives** within your organisation, influencing policy, reducing environment risks, and ensuring businesses operate ethically and responsibly, ultimately contributing to a greener and more sustainable future.

This course has 14 hours of study time required.

This course is typically completed within 2-3 days.

You have access to this course for 6 months from the date of enrolment.

This course is aimed at individuals wanting to start a career in environmental management or for those who already have environmental responsibilities

The ISEP Sustainability Skills for Managers course is intended to support management to understand key planning and working implications of environmental sustainability, allowing them to make operational improvements within their organisation.

**This two-day course enables you to quickly upskill your team**, including those with operational responsibilities, and provides individuals with the resources to support their impact on environmental sustainability.
