Who is this for?

Anyone, in any sector, at any career level who requires a base understanding and qualification in health & safety. It is also a solid foundation for learners preparing to undertake NEBOSH studies.

Overview

The IOSH Working Safely award is an accessible entry level qualification that is open to anyone, intended to ensure a base awareness of general health & safety issues around the workplace.

The qualification covers defining and identifying common hazards and risks, improving safety performance and protecting the environment. Evaluation is done through a multi-choice question paper and a multiple choice hazard spotting exercise, both of which can be done online. You can additionally choose to receive an IOSH Working safely certificate and/or the IOSH safety passport as proof of the qualification.

Did you know?

The IOSH Working Safely course is intended to be completed within a day, typically requiring only six hours of online study to finish.
