Who is this for?

Workers and volunteers in low medium risk industries.

Overview

100% studied online with online assessment, this NEBOSH HSE Award in Managing Risks and Risk Assessment at Work is suitable for employees involved in managing risks within the workplace in low to medium risk industries.

The course is designed to give learners the confidence to undertake suitable and sufficient assessments of risk and identify appropriate and balanced control measures.

This risk assessment at work course will be beneficial to employers, managers, supervisors and health and safety representatives specifically those involved in managing health and safety risks in the workplace.

Did you know?

This course has been developed by NEBOSH in collaboration with the UK Health and Safety Executive (HSE) and is based on UK HSE published guidance.
