## Who it's for

This course is designed for all employees who require a base understanding of health and safety.

## Overview

The IOSH Working Safely award is an accessible introductory qualification that welcomes individuals from all backgrounds.

It is intended to ensure a base understanding of workplace health and safety concerns. This certification covers the identification and definition of common dangers and risks, enhancing safety practices, and safeguarding the environment. Assessment involves a multiple-choice question assessment and a hazard-spotting exercise, both of which can be completed online.

You have the option to obtain an IOSH Working Safely certificate and/or the IOSH Safety Passport as proof of your qualification.

## What can I do?

You will learn the foundations for good working practices in the workplace - to ensure you, and others, are kept safe.

This course sets the bar for those wanting to progress further in health and safety as a career.
