Supervisors

Who it's for

This course is aimed at those employed in managerial roles, including supervisors, team leaders, etc.

Overview

The IOSH Managing Safely certificate introduces the concepts of Safety Management Systems, teaching best practices for managing health and safety in the workplace. Undertaking the IOSH Managing Safely Certificate course will teach you why it is important to follow safety measures in every industry and workplace.

The importance of Safety Management is often underestimated. However, well-tuned Safety Management Systems are proven to be a significant factor in the success of any business. The IOSH Managing Safely is a key qualification for all supervisors and line managers.

Accidents can happen in any workplace and avoiding them can be a simple process.

What can I do?

You will be able to effectively oversee workplace safety, identify and mitigate risks, and lead safety initiatives. It will enable you to ensure a secure work environment, protect employees, and enhance organisational compliance.
