Who it's for

This diploma is for individuals with a desire to progress their career in Occupational Health & Safety within the UK.

Overview

The NEBOSH National Diploma provides the knowledge and understanding that underpins competent performance as an Occupational Health and Safety Practitioner (OHASP).

This core knowledge is transferable between the different occupational sectors in which OHASPs may work across industry, commerce, and the public sector.

Upon successful completion, Diploma holders will have the necessary skills to perform and excel within any safety focused job role.

What can I do?

Completing the NEBOSH National Diploma elevates you to the highest level of health and safety expertise. It enables you to lead strategic safety initiatives, influence policies, and manage risks effectively in complex work environments.

This diploma opens doors to top-tier career opportunities, shaping industries' safety standards and safeguarding lives.

*NEBOSH recommends that learners taking this certificate level qualification be at an IELTS level 7 or above.
