HSE Managers

Who it's for

This diploma is for individuals with a desire to progress their career in Occupational Health & Safety outside the UK.

Overview

The NEBOSH Diploma for Occupational Health and Safety Management Professionals course focuses on best industry practices for managing and implementing safety management systems, internationally.

This core knowledge is transferable between the different occupational sectors in which OHASPs may work across industry, commerce, and the public sector.

Upon successful completion, Diploma holders will have the necessary skills to perform and excel within any safety focused job role.

What can I do?

Completing the NEBOSH International Diploma grants you mastery in global health and safety leadership. It equips you to navigate diverse regulatory landscapes, manage complex risks, and ensure the well-being of workers worldwide.

This diploma paves the way for roles in international organisations, shaping safety standards on a global scale.

*NEBOSH recommends that learners taking this certificate level qualification be at an IELTS level 7 or above.
