## IEMA Courses

# IEMA Environmental Sustainability Skills for the Workforce

## Study Time

This course has 7 hours of study time required.

## Course Access

You have access to this course for 6 months from the date of purchase.

All employees

## Who it's for

This course is for workers in any job role across all sectors.

## Overview

This course provides a practical introduction to environmental sustainability, and gives you and your team the tools to make a measurable difference.

Upskill your workforce to increase performance, efficiency, and impact by improving the motivation and culture within any organisation with this IEMA course

## What can I do?

Upon completing the IEMA Environmental Sustainability Skills for the Workforce, you will gain a deep understanding of environmental principles and practices. This aids you in actively contributing to sustainability initiatives within your organisation, promoting eco-conscious decision-making, reducing environmental impacts, and supporting a greener, more responsible future in the workplace.

# IEMA Environmental Sustainability Skills for Managers

## Study Time

This course has 14 hours of study time required.

## Course Access

You have access to this course for 6 months from the date of purchase.

## Supervisors

## Who it's for

This course is for workers in any job role across all sectors.

## Overview

This course is intended to support the management team, including business leaders, managers and supervisors to understand key planning and working implications of environmental sustainability, allowing them to make operational improvements within their organisation.

This two-day course enables you to quickly upskill your team, including those with operational responsibilities, and provides individuals with the tools and resources to support their impact on environmental sustainability.

## What can I do?

Completion of the IEMA Environmental Sustainability Skills for Managers equips you with strategic environmental knowledge. This qualification empowers you to lead and drive sustainability initiatives within your organisation, influencing policy, reducing environmental risks, and ensuring businesses operate ethically and responsibly, ultimately contributing to a greener and more sustainable future.

# 7 Employee Benefits of SHEilds eLearning qualifications

Being able to show that you are competent in your work and able to demonstrate the knowledge and skill required to perform at the recognised occupational standard.

Further your professional development and increase your career prospects by developing transferable skills recognised and valued by employers universally.

Improve your job satisfaction, confidence, and drive to succeed in your occupation.

A flexible way of gaining a recognised and respected qualification, with no requirement to have already completed other formal qualifications.

Recognised route to professional memberships with globally recognised professional institutes.

Examinations are available globally. SHEilds students are not fixed to a specific exam date, exam dates can be selected when a student feels confident.

Globally recognised qualifications can give you an advantage in the workplace for promotion and job security.

# 8 Employer Benefits of SHEilds eLearning qualifications

Value for money - course access is unlimited during the study period, allowing students to study 24 hours a day 7 days a week.

The course is accessible from any PC with internet access allowing study in the workplace or from home, minimising disruption, and downtime to business.

Increased staff productivity, efficiency, and performance.

Increased motivation and job satisfaction for employees.

Students can start the qualification at their capability level, and no prior qualifications are required.

Ensuring staff are working to up-to-date standards and best practices within their field enables employees to gain well recognised and respected qualifications.

Demonstrates a commitment to quality and continuous improvement.

When employees have globally recognised qualifications, this can help when tendering for contracts with some organisations and towards quality standards.

# Specialising

Expand your knowledge building on more general qualifications. Ideal for people who are diversifying into a specific industry or subject.
